

2018-19

GROWTH

2018-19

Washington State Board of Education,
Educational Opportunity Gap Oversight and Accountability Committee,
and Office of Superintendent of Public Instruction recognize

Utsalady Elementary

Stanwood-Camano School District

for Growth

Schools recognized for growth are improving performance across multiple Washington School Improvement Framework (WSIF) measures from one school year to the next. These schools are recognized for high growth across one or more student populations.
