

# Stanwood-Camano School District Assessment Results 2018-19

School Board Presentation  
October 1, 2019

# Theory of Action

*Every student accomplishes higher levels of achievement and success when we, as a system, have a common vision and work in a collaborative culture to continuously improve our leadership and instructional practice.*

# Collective Commitment

We will empower our children to learn who they are and where they fit in the community and the world. We will teacher our children to persevere through challenging circumstances to achieve fulfilling, productive lives.

# Collective Commitment

We collectively commit that all children will be safe, cared for and respected. They will graduate from school ready for further education, careers, and a successful future. Our children will reflect community values including work ethic, persistence, integrity, fiscal responsibility, creativity, problem solving abilities and a desire to give back to their community. Our children will be prepared for a variety of educational and career options with the ability to create and use new knowledge in a world that does not yet exist.

# District ELA Results 2018-19

Measurement of Student Progress Score Results- Grades 3-8

<b>GRADE</b>	<b>DISTRICT SCIENCE 2019</b>	<b>STATE 2019</b>	<b>COMPARISON TO STATE AVERAGE</b>
<b>5</b>	<b>64.8</b>	<b>53.2</b>	<b>+11.6</b>
<b>8</b>	<b>66.0</b>	<b>51.6</b>	<b>+14.4</b>
<b>11</b>	<b>22.8</b>	<b>34.5</b>	<b>-11.7</b>

# Summary

- 70% of SCSD students met English Language Arts standards as 60% compared to for the state
- 56% of SCSD students met math standards as compared to 49% for the state.
- 88% of SCSD students graduate in four years or less as compared to 79.3% for the state.

# Context and Support to Our Work

- New Teacher Induction/Orientation has occurred with 13 first year teachers.
- We will be part of the Beginning Educator Grant through ESD 189 this year.
- We implemented the new Math Expressions Program K-5 program last year.

# Context to Support Our Work

- We have piloted and purchased Amplify Science K-5 to address the Next Generation Science Standards. Professional development took place on August 19th and 20th.
- Last year 6-12 math teachers reviewed programs.
- We have selected the Envision Program to pilot until January of the year.

# Context And Support To Our Work

- We have provided summer school for credit retrieval in grades 9-12 and literacy support for grade 3
- *72 students completed classes for a total of 51 credits*

# District Improvement Plan Goals

## Instructional Core

- Ninety percent of students meeting standard on the Smarter Balanced Assessment (SBA) for all students and every subgroup by 2027 in English Language Arts and mathematics.
- Graduation rate: Ninety percent of students graduating in four years for all students and every subgroup by 2027.
- English Language proficiency assessment progress: Seventy-seven percent of EL students making annual progress by 2027.
- Median Student Growth Percent: Fifty-five percent of students meeting standard for all students and every subgroup by 2027.
- Ninth Grade on track for Graduation: Ninety percent of all students and every subgroup meeting standard by 2027.
- Dual Credit Enrollment: Sixty percent of all student meeting standard and every subgroup by 2027.

# District Improvement Plan Goals

## **Attendance**

- Attendance: Ninety percent of all students and every subgroup meeting standard by 2027.

## **Participation Rate**

- Participation Rate: Ninety-five percent of all students will participate in the SBA.

# Our System... Working Together

**Common Focus from the Collective Commitment**

**Consistent Refinement of the District Improvement Plan**

**Implementation of School Improvement Plans**

**Improved Achievement of Each Individual Student**
